Author's Permission

I, the undersigned, am the Author of the paper entitled:

____

("Paper") submitted to the conference organizers, Corporation for National Research Initiatives (CNRI), for the 6th International Python Conference ("Conference") to be held October 14-17, 1997.

I, or my employer as appropriate, will retain copyright in the Paper subject to the CNRI's right to do the following:

i) publish or arrange to publish the Paper as part of the Conference proceedings;
ii) copy and distribute the Paper in its entirety in print and electronic form;
iii) provide open access to the Paper by placing it on the World Wide Web, and granting others permission to do the same; and
iv) copy and distribute excerpts from the Paper,

provided that all copies of the Paper contain a proper copyright notice and/or attribution of authorship, as called for.

I and/or my employer represent and agree that:

i) the Paper has not previously been submitted for publication elsewhere.

I also understand and agree that I am not entitled to compensation in return for submitting the Paper for publication by the conference organizers.
